

REFRESHING FOOT THERAPY GEL

Reduce Swelling • Relieve Aching

4 OZ. Bottle

MSRP **\$9.95 ea.**

Our advanced formula cools, soothes, refreshes, revitalizes, and reduces the swelling in aching feet and toes. The ingredients in our gel deliver a calming feel to your feet while special natural oils and chlorophyll combat foot odors.

Our Refreshing Foot Therapy Gel provides fast relief for sore, tired feet due to swelling and added weight gain from pregnancy. Experience a fresh, tingling comfort that brings relief to sore, weary, swollen feet.

Robelyn Labs' use of natural ingredients, along with the precise blending of aromatherapy oils with well-known cooling, soothing ingredients, are the key to this formula's unique performance. Use it after a long day, or in the morning to energize feet. The gel is absorbed with no greasy or sticky feel.
